ORDINANCE NO. ________

AN ORDINANCE APPROVING THE AGREEMENT DATED AUGUST 29TH, 2017 BETWEEN THE STATE OF TEXAS AND THE CITY OF LAMESA FOR THE MAINTENANCE, CONTROL, SUPERVISION AND REGULATION OF CERTAIN STATE HIGHWAYS AND/OR PORTIONS OF STATE HIGHWAYS IN THE CITY OF LAMESA AND PROVIDING FOR THE EXECUTION OF SAID AGREEMENT; AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LAMESA

On the 29th day of August, 2017, there came on and was held at the City Hall of the City of Lamesa, Texas, an open meeting of the City Council of the City of Lamesa, Texas, held pursuant to the provisions of the Texas Open Meetings Act (Government Code, Chapter 551). There being a quorum present and acting throughout the meeting, the following ordinance was formally submitted by motion and duly seconded for the consideration and action of the meeting, to-wit:

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LAMESA, TEXAS:

SECTION 1. That the agreement dated August 29th, 2017, between the State of Texas and the City of Lamesa for the maintenance, control, supervision and regulation of certain State Highways and/or portion of State Highways in the City of Lamesa and the same is, hereby approved; and that Josh Stevens, Mayor, is hereby authorized to execute said agreement on behalf of the City of Lamesa and to transmit the same to the State of Texas for appropriate action.

SECTION 2. The fact that the work contemplated under the above-mentioned agreement is needed, creates an emergency which for the immediate preservation of the public peace, health, safety and general welfare requires that this Ordinance take effect immediately from and after its passage and it is accordingly so ordained.

The City Secretary is hereby authorized and directed to cause publication of this Ordinance as provided by law.

Upon being put to a vote, the foregoing ordinance was Passed, on First Reading on August 22, 2017 by a majority vote; and on August 29th, 2017, there was held at the regular meeting place, City Hall, an open meeting of the City Council of the City of Lamesa, Texas held pursuant to the provisions of the Texas Open Meetings Act (Government. Code, Chapter 551); there being a quorum present and acting throughout the meeting, the foregoing ordinance was formally submitted by motion and duly seconded for the consideration and action of the meeting, and upon being put to a vote, the foregoing ordinance was Passed on Second Reading by a majority vote and ordered
to be spread upon the minutes of the City Council of the City of Lamesa, Texas and recorded in the ordinance book thereafter.

MUNICIPAL MAINTENANCE AGREEMENT

STATE OF TEXAS  §

COUNTY OF TRAVIS  §

THIS AGREEMENT made this ______ day of ___________________________ 20____, by and between
the State of Texas, hereinafter referred to as the "State," party of the first part, and the City of Lamesa
(population 9422, 2010, latest Federal Census) acting by and through its duly authorized officers,
hereinafter called the "City," party of the second part.

WITNESSETH

WHEREAS, Chapter 311 of the Transportation Code gives the City exclusive dominion, control, and jurisdiction
over and under the public streets within its corporate limits and authorizes the City to enter agreements with the State to
fix responsibilities for maintenance, control, supervision, and regulation of State highways within and through its
corporate limits; and

WHEREAS, Section 221.002 of the Transportation Code authorizes the State, at its discretion, to enter
agreements with cities to fix responsibilities for maintenance, control, supervision, and regulation of State highways
within and through the corporate limits of such cities; and

WHEREAS, the Executive Director, acting for and in behalf of the Texas Transportation Commission, has made
it known to the City that the State will assist the City in the maintenance and operation of State highways within such
City, conditioned that the City will enter into agreements with the State for the purpose of determining the responsibilities
of the parties thereto; and

WHEREAS, the City has requested the State to assist in the maintenance and operation of State highways
within such City:

AGREEMENT

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements of the
parties hereto to be by them respectively kept and performed, it is agreed as follows:

For this agreement, the use of the words "State Highway" shall be construed to mean all numbered highways that
are part of the State's Highway System.
COVERAGE

1. This agreement is intended to cover and provide for State participation in the maintenance and operation of the following classifications of State Highways within the City:

   A. Non-Controlled Access highways or portions thereof which are described and/or graphically shown as "State Maintained and Operated" highways in Exhibit "A," which is attached hereto and made a part hereof.

   B. All State highways or portions thereof which have been designated by the Texas Transportation Commission or maintained and operated as Controlled Access Highways and which are described and/or graphically shown in Exhibit "B," which is attached hereto and made a part hereof.

2. In the event that the present system of State highways within the City is changed by cancellation, modified routing, or new routes, the State will terminate maintenance and operation and this agreement will become null and void on those portions of the highways which are no longer on the State Highway System; and the full effect and all conditions of this agreement will apply to the changed highways or new highways on the State Highway System within the City; and they shall be classified as "State Maintained and Operated" under paragraph 1 above, unless the execution of a new agreement on the changed or new portions of the highways is requested by either the City or the State.

3. Exhibits that are a part of this agreement may be changed with both parties' written concurrence. Additional exhibits may also be added with both parties' written concurrence.

GENERAL CONDITIONS

1. The City authorizes the State to maintain and operate the State highways covered by this agreement in the manner set out herein.

2. This agreement is between the State and the City only. No person or entity may claim third party beneficiary status under this contract or any of its provisions, nor may any non-party sue for personal injuries or property damage under this contract.

3. This agreement is for the purpose of defining the authority and responsibility of both parties for maintenance and operation of State highways through the City. This agreement shall supplement any special agreements between the State and the City for the maintenance, operation, and/or construction of the State highways covered herein, and this agreement shall supersede any existing Municipal Maintenance Agreements.

4. Traffic regulations, including speed limits, will be established only after traffic and engineering studies have been completed by the State and/or City and approved by the State.

5. The State will erect and maintain all traffic signs and associated pavement markings necessary to regulate, warn, and guide traffic on State highways within the State right-of-way except as mentioned in this paragraph and elsewhere in this agreement. At the intersections of off-system approaches to State highways, the City shall install and maintain all stop signs, yield signs, and one-way signs and any necessary stop or yield bars and pedestrian crosswalks outside the main lanes or outside the frontage roads, if such exist. The City shall install and maintain all street name signs except for those mounted on State maintained traffic signal poles or arms or special advance street name signs on State right-of-way. All new signs installed by the City on State right-of-way shall meet or exceed the latest State breakaway standards and be in accordance with the Texas Manual on Uniform Traffic Control Devices, latest edition and revision. All existing signs shall be upgraded on a maintenance replacement basis to meet these requirements.

6. Subject to approval by the State, any State highway lighting system may be installed by the City provided the City shall pay or otherwise provide for all cost of installation, maintenance, and operation except in those installations specifically covered by separate agreements between the City and State.
7. The City shall enforce the State laws governing the movement of loads which exceed the legal limits for weight, length, height, or width as prescribed by Chapters 621, 622, and 623 of the Transportation Code for public highways outside corporate limits of cities. The City shall also, by ordinance/resolution and enforcement, prescribe and enforce lower weight limits when mutually agreed by the City and the State that such restrictions are needed to avoid damage to the highway and/or for traffic safety.

8. The City shall prevent future encroachments within the right-of-way of the State highways and assist in removal of any present encroachments when requested by the State except where specifically authorized by separate agreement, and prohibit the planting of trees or shrubbery or the creation or construction of any other obstruction within the right-of-way without prior approval in writing from the State.

9. Traffic control devices such as signs, traffic signals, and pavement markings, with respect to type of device, points of installation and necessity, will be determined by traffic and engineering studies. The City shall not install, maintain, or permit the installation of any type of traffic control device which will affect or influence the use of State highways unless approved in writing by the State. Traffic control devices installed prior to the date of this agreement are hereby made subject to the terms of this agreement and the City agrees to the removal of such devices which affect or influence the use of State highways unless their continued use is approved in writing by the State. It is understood that basic approval for future installations of traffic control signals by the State or as a joint project with the City, will be indicated by the proper City official's signature on the title sheet of the plans. Both parties should retain a copy of the signed title sheet or a letter signed by both parties acknowledging which signalized intersections are covered by this agreement. Any special requirements not covered within this agreement will be covered under a separate agreement.

10. New construction of sidewalks, ramps or other accessibility related items shall comply with current ADA standards. The city is responsible for the maintenance of these items.

11. If the City has a driveway permit process that has been submitted to and approved by the State, the City will issue permits for access driveways on State highway routes and will assure the grantee's conformance, for proper installation and maintenance of access driveway facilities, with either a Local Access Management Plan that the City has adopted by ordinance and submitted to the State or, if the City has not adopted by ordinance and submitted to the State a Local Access Management Plan, the State's "Regulations for Access Driveways to State Highways" and the State's Access Management Manual. If the City does not have an approved city-wide driveway permit process, the State will issue access driveway permits on State highway routes in accordance with the City's Local Access Management Plan, adopted by city ordinance and submitted to the State or, if the City has not adopted by ordinance and submitted a Local Access Management Plan, the State's "Regulations for Access Driveways to State Highways" and the State's Access Management Manual.

12. The use of unused right-of-way and areas beneath structures will be determined by a separate agreement.

NON-CONTROLLED ACCESS HIGHWAYS

The following specific conditions and responsibilities shall be applicable to non-controlled access State highways in addition to the "General Conditions" contained herein above. Non-controlled access State highways or portions thereof covered by this section are those listed and/or graphically shown in Exhibit "A."

State’s Responsibilities (Non-Controlled Access)

1. Maintain the traveled surface and foundation beneath such traveled surface necessary for the proper support of same under vehicular loads encountered and maintain the shoulders.

2. Assist in mowing and litter pickup to supplement City resources when requested by the City and if State resources are available.

3. Assist in sweeping and otherwise cleaning the pavement to supplement City resources when requested by the City and if State resources are available.
4. Assist in snow and ice control to supplement City resources when requested by the City and if State resources are available.

5. Maintain drainage facilities within the limits of the right-of-way and State drainage easements. This does not relieve the City of its responsibility for drainage of the State highway facility within its corporate limits.

6. Install, maintain, and operate, when required, normal regulatory, warning and guide signs and normal markings (except as provided under “General Conditions” in paragraph 5). In cities with less than 50,000 population, this also includes school safety devices, school crosswalks, and crosswalks installed in conjunction with pedestrian signal heads. This does not include other pedestrian crosswalks. Any other traffic striping desired by the City may be placed and maintained by the City subject to written State approval.

7. Install, operate, and maintain traffic signals in cities with less than 50,000 population.

8. In cities equal to or greater than 50,000 population, the State may provide for installation of traffic signals when the installation is financed in whole or in part with federal-aid funds if the City agrees to enter into an agreement setting forth the responsibilities of each party.

City’s Responsibilities (Non-Controlled Access)

1. Prohibit angle parking, except upon written approval by the State after traffic and engineering studies have been conducted to determine if the State highway is of sufficient width to permit angle parking without interfering with the free and safe movement of traffic.

2. Install and maintain all parking restriction signs, pedestrian crosswalks [except as provided in paragraph 6 under “State’s Responsibilities (Non-Controlled Access)”), parking stripes and special guide signs when agreed to in writing by the State. Cities greater than or equal to 50,000 population will also install, operate, and maintain all school safety devices and school crosswalks.

3. Signing and marking of intersecting city streets with State highways will be the full responsibility of the City (except as provided under “General Conditions” in paragraph 5).

4. Require installations, repairs, removals or adjustments of publicly or privately owned utilities or services to be performed in accordance with Texas Department of Transportation specifications and subject to approval of the State in writing.

5. Retain all functions and responsibilities for maintenance and operations which are not specifically described as the responsibility of the State. The assistance by the State in maintenance of drainage facilities does not relieve the City of its responsibility for drainage of the State highway facility within its corporate limits except where participation by the State is specifically covered in a separate agreement between the City and the State.

6. Install, maintain, and operate all traffic signals in cities equal to or greater than 50,000 population. Any variations will be handled by a separate agreement.

7. Perform mowing and litter pickup.

8. Sweep and otherwise clean the pavement.

9. Perform snow and ice control.

CONTROLLED ACCESS HIGHWAYS

The following specific conditions and responsibilities shall be applicable to controlled access highways in addition to the “General Conditions” contained herein above. Controlled access State highways or portions thereof covered by this section are those listed and/or graphically shown in Exhibit "B."
State’s Responsibilities (Controlled Access)

1. Maintain the traveled surface of the through lanes, ramps, and frontage roads and foundations beneath such traveled surface necessary for the proper support of same under vehicular loads encountered.

2. Mow and clean up litter within the outermost curbs of the frontage roads or the entire right-of-way width where no frontage roads exist and assist in performing these operations between the right-of-way line and the outermost curb or crown line of the frontage roads in undeveloped areas.

3. Sweep and otherwise clean the through lanes, ramps, separation structures or roadways and frontage roads.

4. Remove snow and control ice on the through lanes and ramps and assist in these operations as the availability of equipment and labor will allow on the frontage roads and grade separation structures or roadways.

5. Except as provided under “General Conditions” in paragraph 5, the State will install and maintain all normal markings and signs, including sign operation if applicable, on the main lanes and frontage roads. This includes school safety devices, school crosswalks and crosswalks installed on frontage roads in conjunction with pedestrian signal heads. It does not include other pedestrian crosswalks.

6. Install, operate and maintain traffic signals at ramps and frontage road intersections unless covered by a separate agreement.

7. Maintain all drainage facilities within the limits of the right-of-way and State drainage easements. This does not relieve the City of its responsibility for drainage of the highway facility within its corporate limits.

City’s Responsibilities (Controlled Access)

1. Prohibit, by ordinance or resolution and through enforcement, all parking on frontage roads except when parallel parking on one side is approved by the State in writing. Prohibit all parking on main lanes and ramps and at such other places where such restriction is necessary for satisfactory operation of traffic, by passing and enforcing ordinances/resolutions and taking other appropriate action in addition to full compliance with current laws on parking.

2. When considered necessary and desirable by both the City and the State, the City shall pass and enforce an ordinance/resolution providing for one-way traffic on the frontage roads except as may be otherwise agreed to by separate agreements with the State.

3. Secure or cause to be secured the approval of the State before any utility installation, repair, removal or adjustment is undertaken, crossing over or under the highway facility or entering the right-of-way. In the event of an emergency, it being evident that immediate action is necessary for protection of the public and to minimize property damage and loss of investment, the City, without the necessity of approval by the State, may at its own responsibility and risk make necessary emergency utility repairs, notifying the State of this action as soon as practical.

4. Pass necessary ordinances/resolutions and retain its responsibility for enforcing the control of access to the expressway/freeway facility.

5. Install and maintain all parking restriction signs, pedestrian crosswalks (except as mentioned above in paragraph 5 under “State’s Responsibilities”) and parking stripes when agreed to by the State in writing. Signing and marking of intersecting city streets to State highways shall be the full responsibility of the City (except as discussed under “General Conditions” in paragraph 5).
TERMINATION

All obligations of the State created herein to maintain and operate the State highways covered by this agreement shall terminate if and when such highways cease to be officially on the State highway system; and further, should either party fail to properly fulfill its obligations as herein outlined, the other party may terminate this agreement upon 30 days written notice. Upon termination, all maintenance and operation duties on non-controlled access State highways shall revert to City responsibilities, in accordance with Chapter 311 of the Texas Transportation Code. The State shall retain all maintenance responsibilities on controlled access State highways in accordance with the provisions of Chapter 203 of the Texas Transportation Code and 23 United States Code Section 116.

Said State assumption of maintenance and operations shall be effective the date of execution of this agreement by the Texas Department of Transportation.

IN WITNESS WHEREOF, the parties have hereunto affixed their signatures, the City of Lamesa

on the day of , 20 , and the Texas Department of Transportation, on the day of , 20 .

ORDINANCE NO: ______

AN ORDINANCE ADOPTING AND APPROVING A BUDGET FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2017 AND ENDING SEPTEMBER 30, 2018 AND MAKING APPROPRIATIONS FOR EACH DEPARTMENT, PROJECT, AND ACCOUNT; APPROVING REVISED BUDGET FIGURES FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2017; PROVIDING FOR NECESSARY TRANSFERS OF FUNDS BETWEEN ACCOUNTS AND DEPARTMENTS, IF REQUIRED; AND PROVIDING A SAVINGS CLAUSE.

On the this 22nd day of August, 2017, there came on and was held at the regular called meeting place, the City Hall, an open meeting of the City Council of the City of Lamesa, Texas, held pursuant to the provisions of the Texas Open Meetings Act, and there being a quorum present and acting throughout the meeting, the following ordinance was formally submitted by motion and duly seconded for the consideration and action of the meeting, to wit:

WHEREAS, a budget for the Fiscal Year beginning October 1, 2017, and ending September 30, 2018, has been prepared by the City Manager; and

WHEREAS, the City Manager, on July 28, 2017, filed a proposed budget with the City Secretary for the Fiscal Year beginning October 1, 2017; and

WHEREAS, the City Secretary did post notice that said proposed budget had been filed and was available for public inspection; and

WHEREAS, the City Council did hold two public hearing on August 22nd, 2017, and August 29th, 2017, regarding the proposed property ad valorem tax rate at $0.817521.

WHEREAS, On August 22nd, 2017, the City Council held a public hearing and adopted the 2017-18 Budget Ordinance on 1st reading for the upcoming Fiscal Year. On August 29th, 2017, City Council will consider passing the Budget Ordinance on 2nd and final reading. It is determined the proposed budget for Fiscal Year 2017-2018 to be appropriate and correct in all respects and that all requirements of the law have been satisfied; and

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Lamesa:

SECTION 1. Subject to the applicable provisions of the State Law and the City Charter, the budget for the Fiscal Year beginning October 1, 2017, and ending September 30, 2018, as filed and submitted by the City Manager, and adjusted by the City Council, containing estimates of resources and revenues for the year from all of the various sources provided by the city, and the projects, operations, activities and purchases proposed to be undertaken during the year, together with the estimated costs thereof, and estimated amounts of all other proposed expenditures, is hereby approved and adopted.

SECTION 2. (A) There is hereby appropriated from the funds indicated and for such purposes and other expenditures proposed in such budget, not to exceed for all
such purposes for any department, the total amount of the estimated costs of the projects, operations, activities, purchases and other expenditures proposed for such department; and

(B) The City Manager is hereby authorized to approve the transfer of allocated amounts between classifications, departments, and unappropriated surpluses if such transfers do not significantly change the work program contemplated in the approved budget.

SECTION 3. THE BUDGET WILL RAISE MORE REVENUE FROM PROPERTY TAXES THAN LAST YEAR’S BUDGET BY AN AMOUNT OF $29,768 WHICH IS A 1.35 PERCENT INCREASE FROM LAST YEAR’S BUDGET. THE PROPERTY TAX REVENUE TO BE RAISED FROM NEW PROPERTY ADDED TO THE TAX ROLL THIS YEAR IS $597.

SECTION 4. The amounts set out under the headings "Revised or Estimated 2016-2017" shall be, and are hereby, authorized and approved as revised budget amounts for the Fiscal Year ending on September 30, 2017.

SECTION 5. The Investment Plan for the City has been reviewed and is approved for the Fiscal Year beginning October 1, 2017, and ending September 30, 2018.

SECTION 6. That should any section, paragraph, sentence, clause, phrase or word of this Ordinance be declared unconstitutional or invalid for any reason, the remainder of this ordinance shall not be affected thereby.

SECTION 7. All ordinances and resolutions, or parts of ordinances and resolutions, in conflict with this Ordinance are hereby repealed, and are no longer in force or effect.

SECTION 8. This ordinance shall become effective upon adoption of its second and final reading by the City Council of the City of Lamesa, Texas and the effective date of the ordinance and all rates and appropriations contained herein shall be October 1, 2017.

Upon being put to a vote, the foregoing ordinance was Passed, on Second Reading on the 29th day of August, 2017, by a majority vote.

SUBJECT: 2nd PUBLIC HEARING - AD VALOREM TAX RATE – 2017
PROCEEDING: 2nd Public Hearing
SUBMITTED BY: City Staff
EXHIBITS: City Charter – Article V, Taxes and Taxation
AUTHORITY: State Law; Property Tax Code, Sec.26.05 and 31.05

SUMMARY STATEMENT

2nd Public Hearing on a proposed property tax rate of $.817521 for 2017. This tax rate will raise $2,231,135, which is $17,602 more than taxes imposed last year.

THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE. THE TAX RATE WILL EFFECTIVELY BE RAISED BY 1.42 PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A $100,000 HOME BY APPROXIMATELY $-9.59 {Section 26.05(b)1(A&B) OF THE PROPERTY TAX CODE}.

1st PUBLIC HEARING

Following the report from the City Manager, the Mayor will ask if anyone wishes to speak regarding the Proposed Tax Rate for 2017.

The following persons spoke:

______________________________________________

______________________________________________

______________________________________________

Following the public comments the Mayor will close the public hearing.
NOTICE OF 2017 TAX YEAR PROPOSED PROPERTY TAX RATE FOR CITY OF LAMESA

A tax rate of $0.817521 per $100 valuation has been proposed for adoption by the governing body of City of Lamesa. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The governing body of City of Lamesa proposes to use revenue attributable to the tax rate increase for the purpose of:

<table>
<thead>
<tr>
<th>Tax Rate</th>
<th>Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>PROPOSED TAX RATE</td>
<td>$0.817521 per $100</td>
</tr>
<tr>
<td>PRECEDING YEAR’S TAX RATE</td>
<td>$0.827521 per $100</td>
</tr>
<tr>
<td>EFFECTIVE TAX RATE</td>
<td>$0.805895 per $100</td>
</tr>
<tr>
<td>ROLLBACK TAX RATE</td>
<td>$0.868554 per $100</td>
</tr>
</tbody>
</table>

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for City of Lamesa from the same properties in both the 2016 tax year and the 2017 tax year.

The rollback tax rate is the highest tax rate that City of Lamesa may adopt before voters are entitled to petition for an election to limit the rate that may be approved to the rollback rate.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS FOLLOWS:

property tax amount = (rate) x (taxable value of your property)/100

CITY MANAGER'S MEMORANDUM

Recommend approval.
THE STATE OF TEXAS  
COUNTY OF DAWSON  

INTERLOCAL AGREEMENT

KNOW ALL MEN BY THESE PRESENTS:

THAT THIS IS EVIDENCE IN WRITING of an interlocal agreement this day entered into by and between the CITY OF LAMESA, a municipal corporation organized and existing under and by virtue of the laws of the State of Texas, hereinafter called "City", and LAMESA INDEPENDENT SCHOOL DISTRICT, a political subdivision of the State of Texas, hereinafter called "School District".

WITNESSETH:

The School District is experiencing a problem with a portion of its sewer system which lies beneath Bryan Avenue near the intersection with South 1st Street which is also a state highway. If necessary, the School District has requested the assistance of the City in applying for a permit from The Texas Department of Transportation to allow the School to make the necessary repairs to its sewer system. It is in the best interest of the public health and welfare for the School District and the City to enter into this agreement. It is the intent of the parties hereto to comply with the provisions of the Interlocal Cooperation Act, further defined as Chapter 791 of the Local Government Code of the State of Texas which provides that the City and School District may contract with other local governments to provide governmental functions and services.

NOW THEREFORE, the City and School District, acting herein through their respective governing bodies, agree as follows:

1. If needed, the City agrees to make, execute and deliver, as soon as reasonably possible, an application to The Texas Department of Transportation ("TxDot") for a permit to allow the School District to make repairs to its sewer line located in Bryan Avenue near the intersection with South 1st Street.

2. If a TxDOT permit is necessary for the specified project, the City will coordinate efforts in drafting a Traffic Control Plan as required in the TxDOT permit application process.

3. If a TxDOT permit is required, the School District shall pay all fees and costs charged by the City’s Engineering Firm, Parkhill, Smith and Cooper, for preparing the plans for the repairs and Traffic Control Plan.

4. If a TxDOT permit is not needed, the School District shall be responsible for all costs for traffic control during the repair process. The School District shall be responsible for any third party plumbing contractors and fees associated with traffic control.
5.

The City shall be responsible for making and paying for all repairs to the City’s sewer main. The City shall track all expenses of the repair to the City’s sewer main separate from the School District’s fees associated with the City performing street opening, excavation of the proposed area, the School District’s tap to the City sewer main, the cost of backfilling the affected area, which includes 12" lifts of compaction with concrete mixture and hot mix (asphalt). Additionally, the School District shall be responsible for, and shall pay, the costs associated with repairing Bryan Avenue after the sewer line repairs are made, excluding the repairs to the City’s sewer main.

In the event that a City water main is damaged due to the School District’s repair of its sewer line, the School District shall pay all associated costs related to the repair of the City water main, including water loss and the repair of to TxDOT right-of-way.

6.

It is agreed that the School District and the City each shall maintain liability insurance that will cover any claim, cause of action, or suit for damage to the maximum limits under the Texas Tort Claims Act as it now exists and as it may be amended from time to time.

It is specifically understood that any dispute over technical or policy issues relating to the terms of this agreement that may occur during the term of this agreement, shall be resolved by mutual consent of the City Manager of the City and the Superintendent of the School District. Any such resolution shall be committed to written form, distributed to the City Council of the City and the School Board of the School District, and included as an attachment to this agreement.

7.

This agreement shall terminate upon completion of the repairs to the sewer line and the restoration of Bryan Avenue. Upon termination, neither party hereto shall have any further obligation hereunder.

8.

It is specifically understood that in the event that any section, subsection, sentence, clause or phrase of this agreement is, for any reason, held to be invalid, such holding shall not affect the validity of the remaining portions of this agreement.

9.

The provisions of the agreement are to be cumulative and all other contracts, agreements, or parts of contracts or agreements, whether written or oral, governing or regulating the same subject matter as that covered herein are hereby expressly repealed.

10.

This agreement contains the entire agreement. There are no other agreements, oral or written, and the terms of this agreement can be amended only by written agreement signed and ratified by both parties or as otherwise provided herein.
